Charlottesville, Va. 22902.**

This is in Downtown Charlottesville, one block from the Downtown Mall, and next door to the Market Street Market. Parking is available. Details will be sent to registered participants.

Lunch and Snacks

Eat on your own or eat with workshop participants. There are great restaurants close by or brown bag it. The space has a small kitchenette and refrigerator.

"This was one of the most amazing workshops. The material, environment, and energy of the workshop recharged my soul as a clinician."

"This was a powerful, empowering, dynamic, and empathic group experience. I'm glad I came back for the second half. I feel more grounded, clear, and complete in my emotional, psychological, and spiritual evolving."
